Yasawa and Mamanuca Island cruise

DEPARTING: 14TH SEPTEMBER 2018

Can't get enough of Fiji's beautiful beaches, reefs, islands and culture? Join us for the ultimate discovery of the Mamanuca and Yasawa Islands.

Combining both our 3 & 4 day tours of the Mamanuca and Yasawa Islands, our 7 night tour will give you access to the most breathtaking scenery and cultural experiences that the region has to offer. From Monuriki Island, where the Tom Hanks movie 'Castaway' was filmed, to our exclusive trip to The Narokorokoyawa or Sacred Islands where you will experience a Sevusevu (gift giving) ceremony, there is something for everyone on this cruise.

You'll be able to relax in style aboard MV Reef Endeavour where your fully catered buffets and 3-course meals will be served against a backdrop of spectacular scenery. Chill by the pool or on the sundeck, indulge in a massage in our spa or get active and explore the daily stopover destinations by kayak or glass bottomed boat or get close to nature and go snorkelling or diving in pristine waters. The choice will be yours.

Plus, as an added inclusion, you'll be offered the choice of a complimentary tour, regardless of embarkation day, to the Sabeto Mud Baths or Orchid Garden of the Sleeping Giant.

Finally, before heading back to Denarau, travel to the northern coast of the main island, Viti Levu, for some excellent snorkelling, a great hike to admire the amazing Bligh Water and a traditional Island Night, featuring kava, meke and a lovo feast.
