Day 07 - 16 Jun: Drive to Saga town (230km – 6 Hours, 4450 meters)

After start driving towards Saga, you will enjoy a beautiful waterfall. Then the land starts to become less vegetation. Beautiful landscape with a beautiful plateau view and we stop at the viewpoints. After crossing several high passes of nearly five thousand meters. Saga is the biggest town in Kailash region.

Day 08 - 17 Jun: Saga for acclimatization overnight.

It is better we spend two nights in the 4450 meters altitude to get used to our body in the high altitude. Walking around the city, exploring the locals.

Day 09 - 18 Jun: Drive to Lake Mansarovar (400km – 9 Hours)

Driving through the scenic Tibetan plateau, beautiful Lakes and Himalayan views on the way. It is dry land, windy, keep drinking water, eat properly, focus to eat liquid. Minor headache, nausea or even vomiting can be symptoms of high altitude. It will go out after spending night in Mansarovar altitude of 4580 meters. We also suggest not too deep in cold water today in Mansarovar, it may be harmful for your body in high altitude. Mount Kailash south face can clearly see from here. Accommodation around Mansarovar is so simple mud house only and it is only available in group sharing.

Day 10 - 19 June: Morning in Lake Mansarovar, option to high in Chui Gompa (monastery) at the hillside of Lake Mansarovar. Latter drive to Darchen(40km) for overnigh

Enjoy morning view of Mount Kailash south face. You will have enough time around Lake Mansarovar, Bath or Deep or any ritual works. Another point is only 1 hour driving time to reach Darchen (Base camp of Mount Kailash) 4575 meters. Before driving towards Darchen, you also can plan to hike a old monastery near the Lake (Chui Gumba) Preparation of Kailash parikrama (Kailash Kora) is 3 days walking around mount Kailash through Dolma La pass (5,600m) If you need personal helper or horse for Kailash Kora, you can pay and order with the help of your guide. You can buy your favorite dry foods and fruits in Darchen for 3 days Kailash Parikrama. You also can buy trekking sticks here.

Day 11 - 20 Jun: Start to walk around Mount Kailash (Kailash Parikrama), reach at Derapuk – views of Kailash North face (20 km)

Early breakfast today. Leave your main luggage in Darchen, start walking only with your handbag with a few goods. It is about 7 hours easy walking to reach Derapuk (4,900m). Kailash South face, Kailash West face and Kailash North face can be seen today. A closer view of the North face at sunset time can be seen in good weather at the time of sun set. Accommodation in Derapuk is in a mud house which is only available in group sharing.

Day 12 - 21 Jun: Second day of Kailash Parikrama, Hardest day of the tour (21 km)

Today is the tough day of the tour as well as the important day. Cross 5645 meters Dolma-La. It is 9 to 11 hours walking. Street uphill for 3 hours till the top, another 2 hours downhill and rest of for flat walking. You will also cross Gauri Kunda after the pass. Must bring enough water and food for the daytime. Stay overnight at an altitude of 4760 meters. Only group sharing mud houses are available in Juthulpuk.

There is no other option. There is a tent house to get noodles and soup after 5-6 hours of tough walking.

Day 13 - 22 Jun: End of Kailash Parikrama. Walking to Darchen and driving back to Saga for overnight

Only 3 hours of easy walking in flat land to reach your car in Darchen and continue driving to Saga town again. Overnight in much comfortable hotel in Saga (comparatively from Kailash parikrama days)
